If you're unable to find a sub, please contact the league secretary and a ghost sub will be assigned. The Ghost Sub's score will be the average score of the flight that you play in for that night. Your opponent will play against this average. However, the maximum points that you can score for your team with the use of a Ghost Sub will be capped at 0 points. (incentive to find a real sub). **If you get a sub, make sure you indicate on the score card the player the sub is playing for. If the sub is a new player, please include his phone number and email.**
4. Groups must play as foursomes. This is to prevent players from being stranded as a twosome. This rule is in effect even if you are playing against a Ghost Sub.  
Examples of allowed foursomes: 3 players & a Ghost (Total 4) or 2 players & 2 Ghosts (Total 4).  
Example of not allowed foursome: 2 players & 2 players vs. 2 Ghosts (Total 6). **PLEASE PUT YOUR FULL NAME & TEAM NUMBER ON YOUR SCORECARD**

If you would like to change for the second half you may do so, but must let league officials know by our fun night on 6/29.
6. Matches are played A-A, B-B, C-C, D-D and we play each team at least one time. We play match points based on your net score (actual score less strokes if you get them on a hole). Each hole is worth 2 points. If you tie a hole with your match opponent, you each get a 1 point. With each match, winning the low net total will earn you 2 extra points. Therefore, there are 20 points available for each match.
