2024 Membership Promotion

Have you ever considered purchasing a season pass at Grand View Golf Club? If the answer is YES, then 2024 is your year! We are running a new membership program with heavily discounted rates for new and returning* season pass members.

If you do not currently own a Club Certificate at Grand View, you are eligible for the following discounts over the next three years:

- \$150 off of the full price of an unlimited season pass for 2024
- \$100 off of the full price of an unlimited season pass for 2025
- Purchase a season pass at an early discounted rate or the regular price for 2026 and your Grand View Member Certificate is included (a \$300 value)

By following this three-year program, you not only get an incredible deal on season passes, but you also become a Club Certificate Holder — resulting in \$550 savings!

By becoming a Certificate Holder, you can take advantage of discounted season pass rates (available only to fellow Certificate Holders) for the **rest of your life**, as well as become a voting member of Grand View Golf Club, a non-profit community organization (serving the community since 1967).

But wait, what if you already have a Club Certificate? If you are an existing Certificate Holder and have not purchased a season playing pass in the last three years, by renewing your season pass you will also be eligible for the \$150 and \$100 savings offered during the first two years of this program.

In addition to the unlimited playing privileges at Grand View, you also receive the CWGA card as part of your membership — entitling you, and your guests, to discounted golf at numerous area courses.

You won't find a better deal than this! Grand View offers the best Cost to Course Condition Ratio in the area.

Promotional membership rates for new and returning* members:

- Individual: \$520 (regularly \$670)
- Individual + Spouse: \$785 (regularly \$935)
- Family: \$910 (regularly \$1,080)
- Individual Senior Citizen: \$490 (regularly \$640)
- Senior Citizen + Spouse: \$735 (regularly \$885)

*Returning members are individuals who have not purchased a season pass in the last 3 playing seasons.

To take advantage of this offer, please contact the clubhouse or mail your completed form to:
