

Grand View Junior Academy

GVGC Clinic uses a fun, systematic approach to encourage long-term player development. In order to help youth learn, develop, and practice skills to become better golfers and enjoy the sport of golf, the program will focus on four core elements:

- Putting
- Full Swing
- Chipping, Etiquette & Bunker Play
- Sportsmanship, Etiquette and Rules

All participants will be exposed to the fundamentals of golf, including short and long game. To provide a safe and intimate teaching environment, the session will be limited to thirty students. The objective of the program is for each child to learn to play golf and have fun in the process. Clinic directed by Hortonville High School head golf coach Travis Bauer, his staff and current and former players for the Polar Bears.
