

Rules discussed at the meeting 4/24/2023

- Ladies tee off from the red tees, except for hole number one; we tee off
- from the gold/yellow tees. We will always tee off from the top tees on number 2.
- Red stakes are penalty stakes. If ball is playable, you may play it as is without a penalty stroke. Otherwise you may remove the ball for 2 club lengths away from hazard and take a penalty stroke.
- White stakes are out of bounds. You must re-hit the same shot, and take a penalty stroke.
- Your club may not touch the sand until you are actually hitting your shot from a bunker.
- “Wildflower” area is considered like a red stake hazard; play it as it lays or remove the ball for 2 club lengths away from hazard and take a penalty stroke.
- You may get free relief from any major divots/holes, roots, puddles.
- Ladies league has a 12 stroke maximum. If your last shot is an actual 12, just enter 12 on your score sheet. If you pick up your ball on what would be your 12th stroke, BUT you did not actually finish the hole, record a 12 with a box around it on your score sheet.
- Circle any birdies or chip-ins to receive a free drink. Maggie Bartlett is in charge of paying these out.
- **PLAY READY GOLF!** We need to keep the flow of golf league moving. Please play ready golf, meaning if you are ready and someone else should technically be up next but she is busy raking a bunker, please just take your shot. It is also helpful to park carts off to the side of the green; not right in front. And **PLEASE NO PULL CARTS OR GAS CARTS ON OR VERY CLOSE TO THE GREENS.**
